Tell us what you know about the fair and what you’ve accomplished as a junior fair member. This essay must be typed, double spaced. Attach this essay to your application.

HOBBIES & INTERESTS _____

I understand that if I am chosen as the 2009 Athens County Fair King, Queen or Attendant, that I must follow all of the rules and regulations of the Athens County Fair, the Ohio Dept. of Agriculture Rules, Rules of the Red Book, Rules of the Premium Tabloid and all other rules and regulations set forth by the Athens Co. Agricultural Society. I am expected to participate in the fair representing my position the entire week, August 7 through 15, 2009. I am expected to participate in various other activities throughout the year of my reign including but not limited to attending other county fairs, parades and/or festivals. Refusal to participate may cause me to forfeit my title and relinquish my crown and sash. I understand that I may have to furnish my own transportation to and from certain activities if an advisor cannot attend the particular function. I understand that participating in a parade means that I and my court will ride in a vehicle as a group; we will not walk the parade route or ride on horseback. I will always conduct myself in a manner acceptable by the Athens County Agricultural Society. If I conduct myself in a manner that is unacceptable or illegal in any way, I may lose my title as King, Queen or Attendant and may no longer be eligible to participate in future functions pertaining to the Athens County Junior Fair.
