Log on from your computer or any mobile device (including smartphones) to submit your entries to the fair. During this online process, the registration of \$3 per pen of rabbits or chickens, as well as the payment for the chicks ordered will be paid at the time of online registration. Also, the registration of \$3 per hog will be submitted online, as well as the required photos will be uploaded at the time of online registration.

The FairEntry online entry system will streamline the entry process and will allow check-ins, show programs and results to be processed and posted quickly and efficiently during fair.
