Welcome to the 171th Athens County Fair

It is with great pleasure that we, as directors and officers of the Athens County Agricultural Society, welcome you to the 170th Athens County Fair. Each year we try to bring you both educational and entertaining features that will satisfy both young and old alike. Our displays include both Junior Fair and Open class livestock, Grange, farm displays, horticulture, fine arts, domestic manufacture, provisions, 4-H, FFA, Girl Scouts, Boy Scouts, home demonstration projects, and many others too numerous to mention. We want to thank you for taking time away from your busy schedule to join us this year. Our number one goal is to make the Athens County Fair a pleasant experience for every member of your family. Nothing can give us any greater joy than to know we have succeeded. We would also like to thank our many sponsors and advertisers. Without their support and cooperation, we would not be the success that we are. We cordially invite you and your family to meet your many friends and neighbors at the friendliest place in the county, the 171th Athens County Fair.

****IMPORTANT RULE UPDATE FOR SWINE EXHIBITORS REGARDING CLIPPING OF MARKET HOGS****

The Athens County Sales Committee has been contacted by the packers that purchase the market hog projects and have informed the committee that they **WILL NOT** take any market hogs that have been clipped. They have also warned the committee that if this is a problem, they will not put in a packer bid in the future.

Therefore the Athens County Fair Board and Sales Committee, in an effort to keep the packer bids, will be checking market hogs and any project that does not meet the following guidelines will need to be removed from the grounds before the show.

We understand this could affect some of you and we hope you understand we are making this decision in order to stay compliant with the state rules, as well as make sure that the exhibitors are able to sell their projects at a better price.

***Ohio Revised Code 901-19-33 Prohibited grooming practices.**

This is a mandatory rule.

The following grooming practices are prohibited in junior market livestock shows unless those grooming practices are permitted under rule 901-19-32 of the Administrative Code:

- (A) Using any substance to enhance or change the color of the livestock, including the livestock's hide or hooves;
- (B) Adding any substance externally to build up, change or alter the shape or conformation of the livestock, including by way of example but not limited to rope, false hair, graphite, hemp, and powders;
- (C) Pigmented grooming aides or materials; and
- (D) Slick clipping or body shaving of market hogs except on the ears and tails.

Effective: 3/21/2016

***Ohio Revised Code Chapter 901-19 Livestock Exhibitions
901-19-01 Definitions.**

(LL) "Slick clipping" or "body shaving" means having hair that is less than one half inch in length on the body of market hogs.

THANKS!!!

The Athens County Agricultural Society would like to take this opportunity to express their thanks and appreciation to Alexander Township, Athens Township, Athens City, Athens County and State organizations for their cooperation and support toward the success of the Athens County Fair. We express our gratitude to the many people that have donated their time and efforts in making our 170th fair a success. Thanks to our youth and their leaders for promoting our great Junior Fair. Thank you to the many businesses and individuals who were donors and sponsors of trophies and awards.

ATHENS COUNTY FAIR 4-H/JUNIOR FAIR HORSE RULES

All 4-H horse judging is based on rules and regulations as set forth in "Uniform Rules for 4-H Horse Shows in Ohio", circular 179, unless superseded by county rules.

Eligibility

1. Registration papers and leases, if necessary, for both county and state are due the 2nd Wednesday of May each year.
2. A member must register their horse(s) on the 2nd Wednesday of May at the Athens County Fairgrounds from 6-8pm during tag-in. Only one horse may be entered as a State Fair Project (PAS) with the exception of dressage. This class has its own state qualifications. **County participants may bring only one horse to the fair unless they are also competing in non-riding classes.**
3. If a project dies or is injured during the year, it must be verified by a licensed veterinarian at the member's expenses. Once verification has been presented to the Athens County Fair Board Saddle Horse Committee members, the member will then be eligible to show with a substitute project animal. Substitution will be allowed only up until the starting date of the fair. It is the member's responsibility to contact a licensed veterinarian and to see that the Athens County Fair Board Saddle Horse Committee members receive and approve the information prior to the starting date of the fair. Members are reminded that lease papers must be filed if they are needed. All other rules including those concerning professional training are still to be followed in the selection of a substitute project. Anyone who replaces their project horse after registration will not be allowed to compete for State Fair.

Participation

1. All youth age 19 and under, participating in any 4-H/Junior Fair equestrian activity, are required to wear properly fitted protective headgear which meets or exceeds current ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards with the chin harness securely fastened at all times while riding or driving an equine. It is the responsibility of the rider, or the parent or guardian of the youth participant, to make sure that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use, and is properly fitted and in good condition. The Ohio 4-H Horse Program, Show Committees, Officials, Extension Personnel and Volunteer Leaders are not responsible for checking headgear worn for such compliance. The Ohio 4-H/Junior Fair Horse Program, Show Committees, Officials, Extension Personnel and Volunteer Leaders make no representation or warranty, expressed or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear, as no helmet can protect against all foreseeable injuries in equestrian activities. The Ohio 4-H/Junior Fair Horse Program, Show Committees, Officials, Extension Personnel and Volunteer Leaders may, at his/her discretion, check a participant's protective headgear for proper standards. If the youth is found to be wearing unapproved, defective, or improperly fitted headgear, he/she will not be permitted to participate in riding or driving activities until proper headgear is acquired.

FFA Educational Exhibits

1. Exhibits should be of an educational type rather than farm projects display; however, farm products may be used for decoration or illustration of some point. The exhibit should be so arranged as to explain and illustrate to the public some single aim or activity of the FFA. The exhibit should not attempt to portray too many ideas as this is common criticism of an exhibit of this type. The activities of a local chapter in carrying out some single aim of the organization would be very desirable.
2. Display booths will be 7 feet frontage, 6 feet deep, and 6 feet high.
3. Lighting motors and other mechanical construction should be arranged to permit operation during the entire week. A competent person will start and stop mechanical devices each day.
4. The exhibit must be in place and finished by 8:00 a.m. Monday.

NO TOLERANCE POLICY

Verbal abuse, physical abuse or harassment toward directors, judges, ring stewards, superintendents, employees, OSU Extension staff, junior fair members, club advisors or volunteers of the Athens County Fair will not be tolerated. You may be escorted from the fairgrounds, premiums forfeited, and up Athens County Agricultural Society decision, the family members may not be able to exhibit at the Athens County Fair for a period of time indicated by the committee based upon the severity of the situation.

SPORTSMANSHIP FOR SPECTATORS

Sportsmanship is conduct becoming to an individual involving fair and honest competition, courteous relations, and graceful acceptance of results. The development of sportsmanship is an important part of youth development. To become contributing, competent caring, capable adults, you must develop and learn to be fair and generous competitors, good losers, and graceful winners. Spectators at Junior Fair programs and events are asked to demonstrate sportsmanship and set a good example of courteous behavior. Here are some tips:

1. Arrive on time and do not "save seats." If your group's members arrive at different times, wait outside to be seated until after the last person arrives. Do not disturb others, say "excuse me" when appropriate.
2. Applaud for youth you came to see, your favorite clubs or groups, and others you wish to recognize.
3. Do not boo, heckle, make disparaging remarks, or make insulting comments about or to anyone – including competitors from rival groups, and program officials.
4. Listen, act interested, and be quiet when participants are introduced, and when other comments are addressed to the audience. Do not talk incessantly during the program.
5. Remain until the end of the event or the class you are observing, or until program organizers indicate it is appropriate for spectators to depart. Do not get up and leave the minute the child you came to see leaves the show ring or stage.
6. Congratulate the winners after the program.
7. Accept results with grace and good temper. Keep your motions under control. Do not swear or use offensive language, behave rudely, or lose your temper.
8. If you have questions, concerns, or suggestions, be polite in expressing them. Criticize in private, and compliment in public. Be considerate of the time program officials have spent with you, and of their responsibilities. Schedule a later appointment if you need more time than they have to spend with you at the program. Submit compliments, concerns, and suggestions in writing with your signature.
9. Show courtesy towards others, for example:
 - Do not sit or stand in aisles.
 - Do not jump up and block the view of those behind you in moments of high excitement.
 - Do not block other people's views when taking pictures or videos.
 - Leave the chairs and bleachers where you find them.
 - Throw away litter. Do not leave programs, drinking cups, or other trash for someone else to clean up.
10. Enjoy the program, and accept our appreciation for setting a good example for today's youth.

Thank You!

Ultimate Showmanship

Friday, August 14, 2026

9:00 A.M.

Swine Show Arena

Committee: Jeremy Carr, Chair; Species Chairs make up the rest of the committee.

GUIDELINES:

1. Participants must be Junior Fair age.
2. The contest will be divided into 11 parts (Western Horse, English Horse, Sheep, Market Goats, Dairy Goats, Swine, Market Beef, Dairy, Dairy Market Feeder Calves, Poultry and Rabbits).
3. Participants will be the winners of Pro-Showmanship for each of the 11 species.
4. Winners do not have to participate if they do not wish to.
5. In the event the Pro-Showman winner is ineligible or chooses not to compete in the Ultimate Showmanship contest, the 2nd place winner will be offered the chance to compete.
6. Participants will show in 11 different species using correct showmanship techniques for each species.
7. The judge will rate the participants on a scale of one to 11 with one being the highest and 11 being the lowest. Participant with the fewest total points in the 11 departments will be the winner.
8. In the case of a tie, tying participants will draw two animals and show these two animals to break the tie. Tie breaking animals cannot be from the member's winning species.
9. Ultimate Showmanship winners may not compete again in the same species in which they participated in previous years but may participate in another species if they are taking that species as a project. Example: Johnny wins swine pro-showmanship and signs up to participate in the Ultimate Showmanship contest and wins. He cannot come back next year in swine; he can only participate in another species. This species must be a project exhibited and shown at the fair that year.
10. Participants are not allowed to speak to each other while in the show ring. Participants talking to each other while in the show ring will be disqualified from that species.
11. Participants must sign up to participate in the Ultimate Showmanship contest and present a Junior Fair Ultimate Showmanship Liability Release Form no later than Wednesday by 9:00 a.m. The Dairy winner must inform of their intent to participate immediately following the Dairy Pro Showmanship Class. Specie winner is responsible for gathering that specie for all participants. Example – rabbit pro showmanship will gather 11 rabbits for the rabbit showmanship. Animals will be delegated by a random draw. A signed Junior Fair Ultimate Showmanship Liability Release Form is required for each of the animals being used and must be turned in at the Junior Fair Building by 9:00 p.m. Thursday.
12. A panel of 9 judges, chosen by species chairperson (3 small/3 medium/3 equine).
