

ATHENS COUNTY JUNIOR FAIR

MARKET BEEF / DAIRY STEER CARCASS CLASS

1. The Athens County Junior Fair Market Beef Carcass Class is intended to be an educational experience for young producers in the beef industry. The carcass class is recognized as one of the most valuable learning experiences in beef production that exhibitors can take part in, and participation is highly encouraged. Additionally, this exclusive experience introduces youth to top performers in the industry – professors, professionals, packing management, facilities, and more.
2. The agricultural industry is shifting in Southern and Southeastern Ohio with the introduction of a Meat Science program at the University of Rio Grande, and expanding workforce development preparation goals by Ohio 4-H. By introducing a Junior Fair Market Beef Carcass Class, the local 4-H and FFA programs can support youth in “learning by doing,” and completing hands-on project work with a potential for continuing education.
3. Evaluation will be completed by a qualified meat inspector/grader and will be placed from best to last.
 - a. Exhibitors are required to be present at the processing facility for the explanation of placings and final results; date and time will be determined.
4. All general rules and requirements of the traditional Athens County Junior Fair program pertain. Junior Fair exhibitors adhere to the guidelines and expectations set forth by 4-H, FFA, and the Athens County Junior Fair.
